

welcome to the GROUP PROGRAM

Dear Group Leader:

Welcome! We are excited to have you as a Group Leader in the Emergency Essentials Group Program. Your dedication to emergency preparedness will benefit you, your family and the members of your group now and in the future. Whether you enjoy camping with your family or are facing trying times, you'll be able to relax knowing you're prepared.

The Group Program offers you a way to get the items you need at a deep discount. By working together with members of your group, you can feel confident that you are getting the best value possible - with free shipping included when you meet a group order minimum.

Feel free to ask questions - that's what we are here for. Our goal is to make your job as a Group Leader easier. Many of our Group Leaders share their successes with us - and we pass their helpful hints on to you.

Gather your Group Member's information and send it to us, we'll make sure they receive our latest catalog and emails. Do you need a customized quote for items your group would like to focus on outside our posted group specials? Call us and we can give you a quantity bid.

We appreciate your willingness to help others prepare. We are here to assist you in all of your preparedness needs.

Sincerely,

Emergency Essentials
